Resverlogix Market Update

March 5th, 2010 (Calgary, AB) — Resverlogix Corp. (“Resverlogix” or the “Company”) (TSX:RVX), at the request of the Investment Industry Regulatory Organization of Canada (IIROC) on the behalf of the Toronto Stock Exchange (TSX), would like to make a brief statement regarding the recent increase in stock volume and price. Resverlogix management believes the recent increases are due to the underlying importance of recent public announcements as well as increased public awareness of the company due to an article written by BusinessWeek. Management is not aware of any non-public information related to the increase.

About Resverlogix Corp.

Resverlogix Corp. is a leading biotechnology company engaged in the development of novel therapies for important global medical markets with significant unmet medical needs. The NexVas™ PR program is the Company’s primary focus which is to develop novel small molecules that enhance ApoA-I. These vital therapies address the burden of atherosclerosis and other important diseases such as Acute Coronary Syndrome, Diabetes, Alzheimer’s disease, Peripheral Artery Disease and other vascular disorders. Resverlogix Corp. trades on the Toronto Stock Exchange (TSX:RVX). For further information please visit www.resverlogix.com.
