**Stella M. Thompson Joins Resverlogix Board of Directors**

Calgary, AB, September 17, 2007 – Resverlogix Corp. (“Resverlogix”) (TSX:RVX) is pleased to announce today that Stella Thompson has joined the Board of Directors. On the subject of her appointment Stella Thompson said, “I am very pleased to be joining the Board of Resverlogix because of the exciting prospects and the high caliber talent that exists on Board and the management team.”

“We are extremely pleased with the addition of Stella Thompson to Resverlogix’s Board as she has over thirty years of experience and expertise in corporate governance, with membership on a number of corporate and not-for-profit boards, as well as executive and management positions at a number of large corporations,” stated Donald McCaffrey, President and CEO of Resverlogix. “Stella will assist in facilitating strategic, organizational and operational excellence.”

Stella M. Thompson is currently principal consultant and co-founder of Governance West Inc., a Calgary based consulting firm specializing in assisting boards of directors to achieve excellence in the governance of their organizations. Currently, Stella serves on a number of Boards including the Atomic Energy of Canada Ltd., Alberta’s Electricity Balancing Pool, the Calgary Airport Authority, Genome Alberta and Talisman Energy Inc. In prior years, she also served on a number of publicly traded companies and science based organizations. Prior to commencing her consulting practice and directorships in 1992, Stella worked for over thirty years in diverse roles in the oil and gas business in Australia and Canada with a number of major oil companies. Stella has a BA and an MA in Economics.
