MANAGEMENT INFORMATION CIRCULAR

**For the Special Meeting of Shareholders
to be held on June 30, 2015**

PROXIES

Solicitation of Proxies

This Management Information Circular is furnished in connection with the solicitation of proxies by the management of Resverlogix Corp. (the "**Corporation**") for use at the special meeting of the holders (the "**Shareholders**") of common shares (the "**Common Shares**") of the Corporation to be held on Tuesday, June 30, 2015, at the Telus Convention Centre, The Glen Room 206, 120 – 9th Avenue S.E., Calgary, Alberta at 9:00 a.m. (Calgary time) and at any adjournment thereof (the "**Meeting**"), for the purposes set forth in the accompanying Notice of Meeting. Only Shareholders of record at the close of business on May 29, 2015 (the "**Record Date**") are entitled to notice of, and to attend and vote at, the Meeting, unless a Shareholder has transferred any Common Shares subsequent to that date and the transferee Shareholder establishes ownership to the Common Shares and demands, not later than 10 days before the Meeting, that the transferee's name be included on the list of Shareholders.

Notice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders of the Corporation, as a substantial number of the Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to herein as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the brokers/nominees are prohibited from voting Common Shares for their clients. The Corporation does not know for whose benefit the Common Shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of securityholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails a scanable "voting instruction form" in lieu of the form of proxy. Beneficial Shareholders are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number or access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. The voting instruction form must

be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Beneficial Shareholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Common Shares at the Meeting.

Beneficial Shareholders who wish to appear in person and vote at the Meeting must appoint themselves as proxy by inserting their name in the blank space on the Form of Proxy or voting instruction form provided to them and return same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

Management of the Corporation does not intend to pay for intermediaries to forward to objecting beneficial owners under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* the Meeting materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the Meeting materials unless the objecting beneficial owner's intermediary assumes the cost of delivery.

Appointment and Revocation of Proxies

Shareholders that cannot attend the Meeting in person are requested to complete, sign, date and return the accompanying form of proxy ("**Form of Proxy**") in the envelope provided. The instrument appointing a proxy shall be in writing and shall be executed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. In order to be effective, the proxy must be deposited at the office of the Corporation's transfer agent, Valiant Trust Company, 310, 606 – 4th Street SW, Calgary, Alberta, Canada, T2P 1T1, or by fax at 403-233-2857, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting.

The persons named in the Form of Proxy are officers of the Corporation. A person or corporation submitting the form of proxy has the right to appoint a person (who does not have to be a Shareholder) to be their representative at the Meeting, other than the persons designated in the Form of Proxy furnished by the Corporation. Such appointment may be exercised by inserting the name of the appointed representative in the blank space provided for that purpose. A Shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and should instruct him or her as to how the Shareholder's Common Shares are to be voted.

A Shareholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. If a person who has given a proxy attends personally at the Meeting such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited at the Corporation's registered office at 600, 815 - 8th Avenue SW, Calgary, Alberta, T2P 3P2, at any time prior to 4:30 p.m. (Calgary time) on the last business day preceding the day of the Meeting at which the proxy is to be used, or with the chairman of the Meeting on the day of the Meeting, and upon either of such deposits, the proxy is revoked.

Voting by Internet

The Corporation's Shareholders may also use the internet site at www.valianttrust.com to transmit their voting instructions. Shareholders should have the form of proxy in hand when they access the web site. Shareholders will be prompted to enter their Control Number, which is located on the form of proxy. If Shareholders vote by internet, their vote must be received not later than 9:00 a.m. (Calgary time) on June 26, 2015 or 48 hours prior to the time of any adjournment of the Meeting. **The website may be used to appoint a proxy holder to attend and vote on a Shareholder's behalf at the Meeting and to convey a Shareholder's voting instructions. Please note that if a Shareholder appoints a proxy holder and**

submits their voting instructions and subsequently wishes to change their appointment, a Shareholder may resubmit their proxy and/or voting direction, prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.

Persons Making the Solicitation

This solicitation is made on behalf of management of the Corporation. The costs incurred in the preparation and mailing of the Form of Proxy, Notice of Meeting and this Management Information Circular and the solicitation of proxies will be borne by the Corporation. In addition to the use of mail, proxies may be solicited by personal interviews, or by other means of communication or by the directors, officers and employees of the Corporation, who will not be remunerated therefor.

Exercise of Discretion by Proxies

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting on any poll at the Meeting and where the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted in accordance with the specification so made.

In the absence of such specification, such Common Shares will be voted IN FAVOUR of the matters to be acted upon as set out herein. The persons appointed under the Form of Proxy furnished by the Corporation are conferred with discretionary authority with respect to amendments or variations of those matters specified in the Form of Proxy and Notice of Meeting and with respect to any other matters which may properly be brought before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting or any other matters are properly brought before the Meeting, it is the intention of the persons designated in the enclosed Form of Proxy to vote in accordance with their best judgment on such matter. At the time of printing this Management Information Circular, the management of the Corporation knows of no such amendment, variation or other matter.

Quorum

The by-laws of the Corporation provide that a quorum of Shareholders is present at a meeting of shareholders of the Corporation if at least two persons are present in person or by proxy representing not less than five percent (5%) of the outstanding shares of the Corporation entitled to be voted at the meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares, an unlimited number of Preferred Shares and 75,202,620 Royalty Preferred Shares. As at the effective date of this Management Information Circular (the "**Effective Date**"), which is May 29, 2015, the Corporation has 86,166,938 Common Shares, nil Preferred Shares and 75,202,620 Royalty Preferred Shares ("**Royalty Preferred Shares**") issued and outstanding.

The Common Shares are the only shares entitled to be voted at the Meeting. Holders of Common Shares of record at the close of business on the Record Date are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held except to the extent that, (a) the holder has transferred the ownership of any of his Common Shares after the Record Date, and (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he owns the Common Shares, and demands not later than (10) days before the day of the Meeting that his name be included in the list of persons entitled to vote at the Meeting, in which case the transferee will be entitled to vote his Common Shares at the Meeting.

Except as set forth below, to the knowledge of the directors and the executive officers of the Corporation, as at the Effective Date, no person or company beneficially owns or controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation.

BUSINESS OF THE MEETING

Proposed Amendment to Royalty Preferred Shares

The authorized capital of the Corporation currently consists of an unlimited number of Common Shares, an unlimited number of preferred shares and 75,202,620 Royalty Preferred Shares. There are currently 86,166,938 common shares, nil preferred shares and 75,202,620 Royalty Preferred Shares issued and outstanding. At the Meeting, the Corporation will request that Shareholders approve certain amendments to the terms of the Royalty Preferred Shares (the “**Royalty Preferred Share Amendment**”).

The proposed amendments to the Royalty Preferred Shares would limit the dividends payable to holders of Royalty Preferred Shares in a particular period to amounts received by the Corporation during that period. The Corporation determined that this amendment was necessary in the course of negotiating the terms of the proposed license agreement with Shenzhen Hepalink Pharmaceutical Co., Ltd. as more particularly discussed below.

The Royalty Preferred Share Amendment must also be approved by Zenith Epigenetics Corp. (“**Zenith**”), being the sole holder of the Royalty Preferred Shares. The Corporation will request that Zenith sign a special resolution as the sole holder of the Royalty Preferred Shares, voting separately as a class, to approve the Royalty Preferred Share Amendment.

A copy of the terms of the Common Shares, preferred shares and Royalty Preferred Shares, with the specific amendments to the Royalty Preferred Shares highlighted, is attached hereto as Schedule A.

Background Regarding Royalty Preferred Shares

The Royalty Preferred Shares were issued to Zenith on June 3, 2013 as part of the spin-off transaction that resulted in the Corporation’s epigenetic platform technology (excluding RVX-208) being transferred to Zenith and shareholders of the Corporation at the time of that transaction receiving common shares of Zenith.

The Royalty Preferred Shares entitle Zenith to cumulative preferential dividends in an amount ranging from 6% to 12% of Net Apo Revenue during any year, subject to an adjustment for tax payable on the dividend. The dividend amount is calculated based on 6% of Net Apo Revenue of up to US\$1 billion, 8% of Net Apo Revenue of between US\$1 billion and US\$2 billion, 10% of Net Apo Revenue between US\$2 billion and US\$5 billion and 12% of Net Apo Revenue in excess of US\$5 billion.

Net Apo Revenue is defined as the aggregate of the following amounts: (i) amounts received by the Corporation or its affiliates from any person who is not the Corporation or its affiliate (a “**third party**”) in consideration for granting a license or other rights to the third party which entitle the third party to research, develop, make, manufacture, modify, administer, offer to sell, sell or distribute one or more of the Apo Products and/or Apo Intellectual Property Rights (as such terms are defined in the terms of the

Royalty Preferred Shares) or amounts received under the terms of such license or other right that are granted to the third party; (ii) the gross consideration received from a third party by the Corporation, any licensee or their respective affiliates from the sale of any Apo Product (other than consideration received by the Corporation, any licensee or their respective affiliates from a licensee of such Apo Product or its affiliate); less (A) credits or allowances, if any, actually granted; (B) discounts actually allowed; (C) freight, postage, and insurance charges and additional special packaging charges; and (D) customs duties, and excise sales taxes, duties or other taxes imposed upon and paid with respect to such sales (excluding what is commonly known as income taxes); and (iii) amounts received from a third party by the Corporation or its affiliates in consideration for the sale of any Apo Intellectual Property Right.

In the event that the Corporation does not declare and pay the dividend on the applicable payment date, holders of Royalty Preferred Shares are entitled to receive additional cumulative preferential dividends in an amount equal to twenty percent (20%) per annum of the dividend payable on such payment date, subject to a tax adjustment, calculated daily and compounded monthly.

In the event of the liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other return of capital or distribution of assets of the Corporation among its shareholders for the purpose of winding up its affairs, the holders of the Royalty Preferred Shares are entitled to receive in respect of each such share, before any distribution of any part of the assets of the Corporation among the holders of Common Shares or other shares of the Corporation ranking junior to the Royalty Preferred Shares, an amount equal to the greater of \$1.00 divided by the number of outstanding Royalty Preferred Shares and the amount of any accrued, but unpaid dividends.

License Agreement with Shenzhen Hepalink

On April 27, 2015, the Corporation entered into a framework agreement (the “**Framework Agreement**”) with Shenzhen Hepalink Pharmaceutical Co., Ltd. (“**Shenzhen**”) which set forth the principal terms of a proposed license of RVX-208 to Shenzhen for China, Hong Kong, Taiwan and Macau (the “**Territories**”). The Corporation and Shenzhen are currently negotiating a definitive license agreement (the “**Proposed Shenzhen License Agreement**”).

Based on the terms of the Framework Agreement, it is anticipated that the Proposed Shenzhen License Agreement will provide for certain milestone payments based on net sales of RVX-208 in the Territories. The annual sales milestones would range from 500 million renminbi (“**RMB**”) to RMB 10 billion, with the Corporation being eligible to receive sales-based milestone payments from Shenzhen ranging from US\$5 million to US\$90 million (the RMB to CAD exchange rate as published by the Bank of Canada on May 28, 2015 was 1 RMB being equal to CAD\$0.2012).

In addition, it is anticipated that the Proposed Shenzhen License Agreement will provide for Shenzhen to pay the Corporation a royalty of 6% of annual net sales of RVX-208 in the Territories provided that when annual net sales are in excess of 1 billion RMB, and the sale price of the licensed product approved by the National Development and Reform Commission (“**NDRC**”) in the People’s Republic of China is decreased to less than eighty-five percent (85%) of the original launch price agreed by the parties, the royalty rate will be adjusted to five percent (5%) of annual net sales of the licensed product in the Territories; and when annual net sales are in excess of 1 billion RMB, and the sale price of the licensed product approved by the NDRC is decreased to less than seventy-five percent (75%) of the original launch price agreed by the parties, the royalty rate will be adjusted to four percent (4%) of annual net sales of the licensed product in the Territories.

Proposed Amendments

The terms of the Royalty Preferred Shares currently provide that the holder is entitled to dividends in the range of 6% to 12% of Net Apo Revenue, subject to a tax adjustment. As indicated above, Net Apo Revenue includes both amounts received by the Corporation and amounts received by licensees of the Corporation from the sale of Apo Products. Therefore, there may be circumstances where the amount that the holder of Royalty Preferred Shares is entitled to receive from the Corporation based on sales of

Apo Products by a licensee exceeds the amount that the Corporation is entitled to receive from the licensee, depending on the terms of the particular license agreement.

In the course of negotiating the Framework Agreement and Proposed Shenzhen License Agreement, the Corporation determined that the amounts payable pursuant to the Royalty Preferred Shares based on sales of RVX-208 in the Territories in a given period could exceed the amount received in that period by the Corporation from Shenzhen pursuant to the Proposed Shenzhen License Agreement. In order to preserve the benefits of the Proposed Shenzhen License Agreement, including the potential milestone payments and the agreement of Shenzhen to pay costs associated with clinical trials in the Territories, without the Proposed Shenzhen License Agreement potentially having an adverse impact on the Corporation in the future, the Corporation proposes to amend the terms of the Royalty Preferred Shares to limit the dividend entitlement for a given payment period to the lesser of the existing percentage of Net Apo Revenue and the actual amounts received by the Corporation on account of Net Apo Revenue during that period. In addition, the Corporation proposes to amend the definition of Net Apo Revenue in the terms of the Royalty Preferred Shares to include certain deductions from revenue which are expected to be deducted from net sales of RVX-208 for purposes of determining royalties payable pursuant to the Proposed Shenzhen License Agreement. The specific amendments to the terms of the Royalty Preferred Shares are highlighted in the attached Schedule A.

Disclosure of Interest

In accordance with the *Business Corporations Act* (Alberta), each of the directors of the Corporation, being Donald McCaffrey, Peter Johann, Kelly McNeill, Eldon Smith and Kenneth Zuerblis and certain officers of the Corporation, being Donald McCaffrey (President and Chief Executive Officer) and Brad Cann (Chief Financial Officer) have disclosed an interest in the Royalty Preferred Share Amendment insofar as such individuals also serve as directors and officers of Zenith, which is the sole holder of the Royalty Preferred Shares to be amended. Due to this interest in the Royalty Preferred Share Amendment, the Board of Directors determined to submit the special resolution relating to the Royalty Preferred Share Amendment to Shareholders for their consideration and not to make any recommendation with respect thereto.

Text of Shareholder Resolution

To be effective, the special resolution related to the Royalty Preferred Share Amendment must be passed by two-thirds of the votes cast thereon by the holders of Common Shares at the Meeting. The text of the resolution is set out below. The persons designated in the enclosed form of proxy or voting instruction form, unless instructed otherwise, intend to vote FOR the resolution.

BE IT RESOLVED as a special resolution that:

1. Pursuant to section 173 of the *Business Corporations Act* (Alberta), the Articles of the Corporation be amended to change the rights, privileges, restrictions and conditions in respect of the Royalty Preferred Shares such that the authorized share capital of the Corporation shall be as more particularly set forth in Schedule "A" to the Management Information Circular dated May 29, 2015;
2. Any one of the directors or officers of the Corporation is hereby authorized to sign all such documents, including without limitation, Articles of Amendment, and to do all such acts and things, including without limitation, delivering such Articles of Amendment to the Registrar of Corporations under the *Business Corporations Act* (Alberta), as such director or officer determines, in his or her discretion, to be necessary or advisable in order to properly implement and give effect to the foregoing; and

3. The directors of the Corporation may, in their discretion, without further approval of the shareholders, revoke this special resolution at any time prior to the filing of Articles of Amendment giving effect to the foregoing.

Proposed Private Placement to Eastern Capital Limited

Background

On April 27, 2015, the Corporation entered into the Framework Agreement with Shenzhen which set forth the principal business terms of the Proposed Shenzhen License Agreement and an equity investment by Shenzhen. The Framework Agreement contemplates that the Corporation and Shenzhen will enter into a definitive agreement that provides for Shenzhen to subscribe for 13,270,000 units of the Corporation ("**Units**"), each Unit being comprised of one Common Share and 0.075358 common share purchase warrants ("**Warrants**") at a price of \$2.67 per Unit for aggregate proceeds of approximately \$35 million. Each whole Warrant will be exercisable into one Common Share at a price of \$2.67 per share for a period of five years from closing. After giving effect to this transaction and the investment by Eastern Capital Limited described below, Shenzhen will hold 13,270,000 Common Shares representing 12.63% of the outstanding Common Shares.

Concurrently with entering into the Framework Agreement, the Corporation entered into a subscription agreement with Eastern Capital Limited ("**Eastern**") whereby Eastern agreed to purchase 5,600,000 Units at a price of \$2.67 per Unit for aggregate consideration of approximately \$15 million (the "**Eastern Private Placement**"). The Eastern Private Placement was negotiated on an arm's length basis. The issue price of \$2.67 per Unit is at a discount of 3.6% to the volume weighted average trading price of the Common Shares for the five trading days prior to the date of the subscription agreement. The Eastern Private Placement is conditional upon the completion of the transactions between the Corporation and Shenzhen contemplated by the Framework Agreement and the Eastern Private Placement being approved by the Toronto Stock Exchange ("**TSX**") and the Shareholders, if required by TSX or applicable laws.

At the Meeting, Shareholders will be asked to approve the Eastern Private Placement in accordance with the requirements of TSX, as more particularly discussed below.

Toronto Stock Exchange Requirements

Section 604(a)(i) of the TSX Company Manual requires that shareholder approval be obtained for private placements that "materially affect control" of a listed issuer. Pursuant to the policies of the TSX, "materially affect control" means the ability of any security holder or combination of security holders acting together to influence the outcome of a vote of security holders, including the ability to block significant transactions. Such an ability will be affected by the circumstances of a particular case, including the presence or absence of other large security holdings, the pattern of voting behaviour by other holders at previous security holder meetings and the distribution of the voting securities. A transaction that results, or could result, in a new holding of more than 20% of the voting securities by one security holder or combination of security holders acting together is considered to materially affect control, unless the circumstances indicate otherwise.

Eastern currently holds 14,965,307 Common Shares representing 17.37% of the outstanding Common Shares and it also holds 7,578,232 common share purchase warrants of the Corporation. Assuming all warrants are exercised, before giving effect to the Eastern Private Placement and the investment by Shenzhen, Eastern would hold 24.05% of the outstanding Common Shares. Pursuant to the Eastern Private Placement, Eastern would purchase an additional 5,600,000 Common Shares (representing 6.5% of the Common Shares currently outstanding) and Warrants to purchase an additional 422,005 Common Shares. After giving effect to the Eastern Private Placement and the investment by Shenzhen, Eastern will hold 20,565,307 Common Shares representing 19.58% of the outstanding Common Shares before giving effect to any outstanding warrants and, assuming the exercise of all of the common share

purchase warrants by Eastern, it would hold 28,565,544 Common Shares representing 25.27% of the outstanding Common Shares.

Eastern does not currently have any contractual right to appoint nominees for election as directors of the Corporation and it has not been granted any such right in connection with the Eastern Private Placement.

As the issuance of the additional Common Shares and Warrants to Eastern pursuant to the Eastern Private Placement could result in Eastern holding more than 20% of the outstanding Common Shares of the Corporation, assuming the exercise of the existing warrants and the Warrants, TSX requires that shareholder approval be obtained for this transaction. For purposes of the TSX, approval must be obtained from a majority of votes cast at the Meeting, with Eastern being excluded from voting its 14,965,307 Common Shares representing 17.37% of outstanding Common Shares.

Multi-lateral Instrument 61-101

The subscription of Eastern for the Units pursuant to the Eastern Private Placement would be a "related party transaction" pursuant to Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**") as Eastern is an insider that holds more than 10% of the outstanding Common Shares of the Corporation.

Pursuant to MI 61-101, an issuance of securities to a related party requires that minority shareholder approval and a valuation be obtained by the issuer unless an exemption is available. The Eastern Private Placement is exempt from these requirements because the fair market value of the securities to be issued to Eastern pursuant to the Eastern Private Placement does not exceed 25% of the market capitalization of the Corporation.

Recommendation of the Board

After careful consideration of available financing alternatives, the Board of Directors of the Corporation determined that it is in the best interests of the Corporation to proceed with the Eastern Private Placement. The Board of Directors unanimously recommends that shareholders vote in favour of the resolution to approve the Eastern Private Placement.

Text of Shareholder Resolutions

To be effective, the resolution to approve the Eastern Private Placement must be passed by a majority of the votes cast thereon at the Meeting, excluding votes cast by Eastern. The text of the resolution is set out below. The persons designated in the enclosed form of proxy or voting instruction form, unless instructed otherwise, intend to vote FOR the resolution.

BE IT RESOLVED as an ordinary resolution that:

1. The issuance to Eastern Capital Limited of 5,600,000 units of the Corporation at a price of \$2.67 per unit, each unit being comprised of one common share and 0.075358 common share purchase warrants exercisable at a price of \$2.67 per share and for a term of five years, in connection with the transactions described in the management information circular dated May 29, 2015 is hereby authorized and approved;
2. All actions taken to date by the Board of Directors and management of the Corporation in furtherance of the transactions contemplated by the foregoing resolution be and the same are hereby authorized, approved, ratified and confirmed;

3. The Board of Directors of the Corporation is hereby authorized at any time in its absolute discretion to revoke this resolution before it is acted upon or not to proceed with any one or more of the above transactions without further approval of the shareholders; and
4. Any one director or officer of the Corporation be and is hereby authorized and directed to do such things and to execute and deliver all such instruments, agreements, deeds and documents, and any amendments thereto, under corporate seal or otherwise, as may be necessary or advisable in order to give effect to this resolution.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth elsewhere in this Management Information Circular, to the knowledge of the Board of Directors and management of the Corporation, no director or executive officer of the Corporation or anyone who has held office as such since the beginning of the last financial year of the Corporation or of any associate or affiliate of any of the foregoing has a material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set forth elsewhere in this Management Information Circular or below, to the knowledge of the Board of Directors and management of the Corporation, none of the Corporation's directors, executive officers or companies or persons that beneficially own or control or direct, directly or indirectly, or a combination of both, more than 10 percent of the Corporation's Common Shares, or any of their respective associates or affiliates, has any material interest in any transaction with the Corporation since the commencement of the Corporation's last financial year, or in any proposed transaction which has materially affected or would materially affect the Corporation or any of its subsidiaries.

On July 3, 2014, the Corporation entered into an Amended and Restated Loan Agreement with Citibank, N.A. ("**Citibank**") which provided for the existing loan granted to the Corporation by Citibank to be increased by \$30 million to \$68.8 million. The loan is repayable upon maturity on August 28, 2017. Interest on the loan is payable annually in arrears at a rate equal to the per annum Canadian one-year LIBOR swap rate plus 3.14%. The loan is secured by an irrevocable \$68.8 million Standby Letter of Credit arranged by Eastern. The Corporation has agreed to indemnify Eastern for all liabilities, costs and expenses arising from any payments made to Citibank under the Letter of Credit and pledged its patents and certain tax losses and pools to Eastern as security for its obligations under the indemnity. The Corporation also issued an additional 5,000,000 share purchase warrants to Eastern in connection with the loan increase. The warrants are exercisable at a price of \$0.75 per share for a period of five years from the closing on the amendment on August 13, 2014.

OTHER MATTERS
